ALIGN™

C

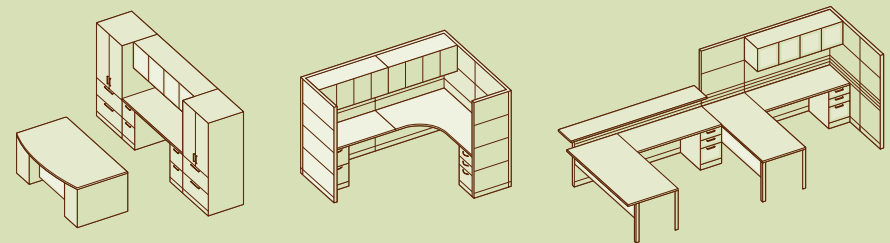

IT ALL BEGINS WITH CLARITY OF VISION

Align is the result of a simple premise: create a single platform of panels, storage, and desking that provides absolute harmony between each component and endless freedom of expression for designers and facility managers. From reception areas through open plan, and management workstations all the way into the private office, Align gives you a single, coherent structure that makes planning easy and designing an inspiration.

Align. Where beauty and function converge.

The private office to open plan solution.

WOW

THE POWER OF FIRST IMPRESSIONS

Woodgrain that lines up perfectly from each tile to the next. A transaction top that floats above the desk. Intriguing combinations of texture and color. With Align, every choice you make reflects the quality of choices we've made.

Align makes walking into the office a "Wow" moment.

Tiles that extend all the way to the floor show off good taste along with good tailoring.

PUT A NEW FACE ON P R I V A C Y

Private offices take on purposeful elegance, with floor-to-ceiling panels that accommodate doors and create walls that bring fabric, veneer, or simply lots of light into your space. With Align, your system creates a sanctuary.

M A T E R I A L S MAKE THE DIFFERENCE

Clean lines, open areas, elegant color choices, and an expanse of surface for sharing ideas. Align lets you create a work environment where everyone can comfortably engage in both blue-sky thinking and down-to-earth productivity.

Align offers so many storage options, including open shelves for displaying personal items or keeping critical projects close at hand.

Panels that step down at 8" increments give office walls a softer, more subtle silhouette.

Overhead storage that looks like cabinetry, panels of varying finishes and heights, and plenty of places to plug in both power and data—as frequently as every eight vertical inches on the frame—to accommodate today's high-tech workforce.

SPACE BECOMES INTELLIGENT,

EFFICIENT, EXPRESSIVE

Make beautiful offices a part of the recruitment and retention package with an energetic pop of color, distinctive touches of wood, expanses of worksurface, and personalized storage at every turn.

When a touch of veneer is more than enough, simply dress up forward-facing surfaces.

From the panel to the kickplate, the lateral file to the desktop, each component connects seamlessly with every other.

BETTER WORKPLACES FOR BETTER

PERFORMANCE

Storage for all the kinds of work you have to do. Worksurfaces shaped for tasking and meeting. Tools that improve paper management and power access. Align makes it easier for everyone to focus on achieving shared goals.

A FLEXIBLE PLATFORM, INNUMERABLE OPTIONS

Align allows aesthetic unity and individual expression to happen simultaneously. From reception to the executive suite, you can mix and match materials, define functional areas with colors and finishes, create a statement or an accent with wood, or lighten the mood with lower panels and open desking.

There are so many things to say, and so many ways to say them, with Align.

panels more functional.

LET THE IDEAS FLOW FREELY

Who says an office needs walls? Unobstructed space and furniture that lets light, air, and people circulate more easily keeps the feeling fresh. And keeps employees more content, productive, and satisfied with their working environment.

Open areas and freestanding desks allow people to come together and apart, fluidly following the demands of the day.

REWARD A C H I E V E M E N T

Improve the view inside your office with the stature and richness of wood. Make it a little more contemporary with touches of texture, color, Landscape surfaces, or your own materials.

Align wood products are made by Gunlocke®, for over 100 years, the most respected manufacturer of wood desks for offices from the White House to your 59th floor.

THE FUSION OF STORAGE WITH DESIGN

Pick and choose, mix and match. Whatever form your storage requirements take, you can be sure you'll find something that matches your needs, your taste, and all the components in your office. Even if you prefer your storage on wheels or overhead.

Behind the beauty you'll find our strength in storage, including double-wall drawer fronts, heavy-duty and super-quiet drawer slides, European door hinges, and the durability of 18-gauge, all-metal construction.
